

LES ROBSON
“SERVICE AWARD”

** 2018 **

presented by

GREYHOUNDS MASTERS T & F CLUB

to

“HAROLD MORIOKA”

Selfless. Dedicated. Respected.

No measurement can express our gratitude but we acknowledge the dedicated commitment and part you have played in the Greyhounds Masters Track and Field Club since 1999.

Listing only a few contributions, you have been a Coach, Masters track and field committee member who meticulously maintained BC and Canadian T&F records. You have even been a travel agent (booking hotel accommodations) and unselfishly provided a taxi service to our members at times.

*As a mark of passion, dedication and selfless commitment, your part has inspired many and has had a positive impact on all.
The success of the Greyhounds Masters Track and Field Club is a direct result of your efforts.*

You have been a foundation and we are honoured to honour YOU.
